THE DISTRIBUTION / FINANCE MANAGER OF ALL PHARMA COMPANIES.

Reg : Extend 120 days more for settlement of Expiry reg...

Dear Sir,

Pandemic situation of Covid19 is becoming very serious day by day.

In the Month of March 2020, entire supply chain was disrupted, particularly reverse logistic was at dead end across India.

No whole sellers could send back the expired / damaged medicine for credit note to suppliers/ companies. Similar situation is also there at secondary logistics, between Retail to Wholesale.

Results of this disturbed Transportation, all of your CNFs may receive Expired goods late than its normal period. It is expected this situation may normalize after a period of three months.

Therefore we request all Industry partners, allow 120 days more, in addition to 180 days for accepting expiries.

Further you are requested to configure necessary system changes to avoid rejection on account of delays in LBE receipt to minimize conflicts.

We hope all of you will accept & cooperate with trade members and will issue circular for the same at the earliest.

Thanking you,

Yours faithfully,

For The All India Organisation of Chemists & Druggists
