All Distributors/Marketing/Finance Head of Pharma companies

Sub : Urgent Appeal to Local Authorities for issuance of Special Paseses.

Dear Sir,

PAN India lockdown order by Central/State Govt. has impacted movement of office staff/support staff/ transportation/labour force engaged at all distribution point including C&F's location at Bhiwandi, Maharashtra.

Most of the Pharma companies have their C&F depots located in Bhiwandi region, in Thane District, almost all C&F's Depots operation have adversely impacted by lockdown.

You are therefore requested to appeal immediately to following authorities submitting detail list of your staff/support staff/labour force/transporters for special passes.

PS to FDA Minister – Mr. Singhavi – 9892832814

Joint Commissioner FDA, Thane Mr. Paunekar – 9850272495

Asstt. Commissioner FDA, Thane, Mr. Milind Patil - 8788233894

DCP Bhiwandi – Mr. Rajkumar Shinde - 09623999944/02522252050

Further, kindly note AIOCD sought intervention by PMO office & CM of Maharashtra dt 23.03.2020 and received positive response by Secretary – DOP, Central Govt. vide letter dated 23.03.2020 (copy enclosed).

Maharashtra State Govt. also circulated advisory to all district collectors to ensure end to end supply of essential commodities including medicines.

Therefore, you are requested to act on Urgent Basis so as to maintain uninterrupted supply of medicines with routine operation at C&F level.

Thanking you,

For The All India Organisation of Chemists & Druggists

To,
Hon'ble Dr. Shrikhar Pradeshi
Joint Secretary – PMO
New Delhi – 110 001

Sub : Urgent Advisory to State Home Ministries, Police Department – to Allow Pharmacy Owner /Supplier of Medicines, their support staff to commute ...reg.

Respected Sir,

All India Organisation of Chemists & Druggists (AIOCD) an apex body of all States and U.T. of India, Association of chemists and distributors having approx. 8.5 lakhs members, spread throughout India. Our members serve day and night, providing medicines to 125 crores of population.

Retail Chemists, wholesalers, pharma C&F of Drugs and Medicines have their own supply chain eco system. It is reported from various locations that local police objecting movement of support staff e.g. pharmacists, chemists, wholesale firm owner, loading, unloading labour and transport driver of engage in at pharmacies, medicine distributor, pharma companies C&F.

It has been further aggravated by forcing to close courier firms, transport firms, engage in medicine distribution.

Sir, unless an immediate intervention is not made by issuing a clear advisory to all Home Ministries of all state then the entire supply chain would be paralyzed and for no reason the availability of medicine would be adversely impacted.

We therefore propose, that our member owner of medicine dealer (retailer/wholesaler/pharma C& F) are ready to issue a photo-identity to their staff/support staff, delivery vehicles etc. and on physical verification of the same those staff /support staff should be allow to commute by local police.

Sir, Medicine is listed in Essential Commodity and our lacs of members, their staff and support staff /workers engage in various points of delivery are trying their best for making essential medicines available in this critical and risky situation. But it is also important unless these persons engage in supply chain ecosystem allow discharging their duties physically, it would be very difficult to maintain uninterrupted supply of essential medicines.

We would wish to thank our Hon'ble P.M. Modiji who has given us a word to convey our issues to concern department during a dialogue held with him on Saturday 21st March 2020 on video calling.

Kindly consider our request and expedite necessary advisory to all concern and inform us accordingly.

Thanking you,

For The All India Organisation of Chemists & Druggists

DO letter No: 35022/4/2020-Policy(Pt.)

Date: 23.03.2020

Dear

Chief Secretary,

You are well aware of the outbreak of Novel Coronavirus (COVID-19), which has been declared as pandemic by World Health Organization (WHO), and various proactive steps taken by the Central and the various State Governments to control, mitigate and improve the situation in the country.

In this regard, the Department of Pharmaceuticals, whose mandate is to ensure availability, accessibility and affordability of medicines, is closely monitoring their availability all across the country on day to day basis. You are well aware that the Drugs plays a vital role in public health care delivery system and are included as essential commodity under the Essential Commodities Act, 1955 and it has been all the more critical in pandemic situation. As it is the responsibility of the government to ensure the availability of medicines to the public, it is vital that manufacturing, import, sale and distribution of the drugs takes places without any impediment so as to ensure continuous availability of the drugs.

The Department has received inputs from various pharma/ medical device manufactures that the district administrations in various States/UTs have given directions to close the manufacturing operations in the pharmaceutical industry as part of various measures to contain spread of the Coronavirus. Further, restrictions have also been imposed on mobility of the citizens which may hamper the supply of medicines, distribution and its transport.

In this regard, you may kindly refer to the review meeting taken by the Cabinet Secretary and Principal Secretary to the Prime Minister with the Chief Secretaries of the State Governments on 22.03.2020 wherein, amongst others, it was decided that *'the establishment/ factories engaged in manufacturing and distribution of essential commodities like medicines, vaccines, sanitizers, masks, medical devices , their ancillaries and support services should be exempt from restrictions'*. A copy of the relevant press release is **enclosed**.

Contd....2/-

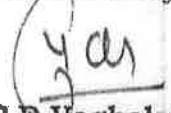

: 2 :

As such, you are requested to kindly review the matter at your end and issue directions for treating the activities referred in para above as essential services and also direct the authorities concerned to make necessary arrangements for issuance of IDs/ Entry Pass so as to facilitate movement of the workers engaged in these essential activities.

Further , in cases where inter-state movement of workers is involved, you may sort the matter with your counterpart in the State concerned, so that the pharma/medical devices factories function without any hindrance.

With Regards,

Yours sincerely

(P D Vaghela)

Cabinet Secretary and PS to Hon. Prime Minister review status, management and containment of COVID-19

Posted On: 22 MAR 2020 6:51PM by PIB Delhi

Cabinet Secretary and the Principal Secretary to the Prime Minister reviewed the status, actions taken and preparedness regarding management and containment of COVID-19 in a high level with Chief Secretaries of States through a video conference, here today. The increase in the number of confirmed cases during the last few days was discussed. The Central Government impressed upon the States the need for urgent and effective interventions.

After detailed discussions, the following decisions were taken:

- a. State Governments will issue orders allowing only essential services to operate in districts with confirmed COVID-19 cases. The focus should be on closure of all activities except essential services such as hospitals, telecom, medicine shops, provision stores etc.
- b. Establishments/factories engaged in manufacturing and distribution of essential commodities like medicines, vaccines, sanitizers, masks, medical devices, their ancillaries and support services etc., should be exempt from these restrictions.
- c. State Governments may expand the list depending on their assessment of the situation.
- d. All train services suspended till 31st March 2020 including sub urban rail services.
- e. Good trains may continue to operate for facilitating availability of essential commodities.
- f. All metro rail services suspended till 31st March 2020.
- g. Interstate passenger transport also to be suspended till 31st Mar 2020.
- h. Transport services may operate at mere skeletal level
- a. These measures are temporary but extremely vital to break the chain of transmission.
- j. States were also requested to ensure that while such measures are being taken, necessary steps to minimize discomfort to the poor and disadvantaged sections of the society may be ensured.
- k. States to request industries, establishments etc., to allow their employees to work from home and provide remuneration to them during this period.
- l. Central Government has already asked Labour Ministry and Ministry of Corporate Affairs to issue necessary instructions to this effect.
- m. States were further asked to ramp up the readiness to manage the positive cases in health facilities.
- n. States to assess the availability of medical services including quarantine and scale them up to meet all possible contingencies.
- o. States were asked to have earmarked facilities fully dedicated to manage the COVID-19 cases only.
- p. Each State was requested to identify and ensure that such hospitals are equipped to manage the COVID 19 cases.
